

Synthesis **Aztech**

Make the smooth choice

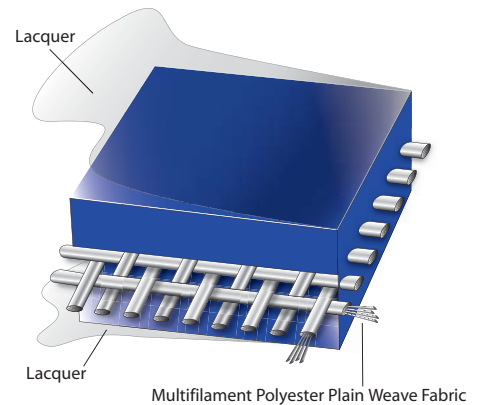

The stand-out fabric

Versatility, strength, flexibility, performance

Equally at home as a medium duty tarpaulin, transport or boat cover, Synthesis Aztech has a smooth, durable, high gloss finish which offers excellent resistance to soiling and flex cracking.

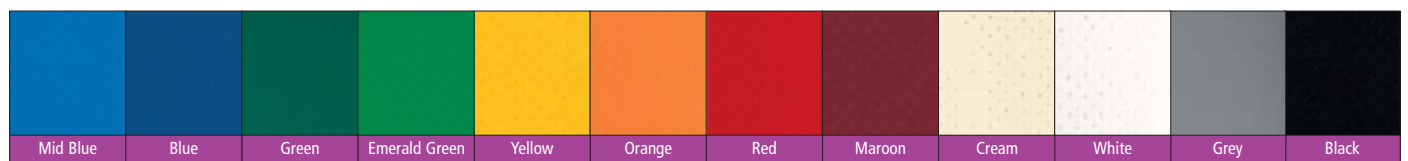

An un-lacquered version of Aztech is available as a special order making it the ideal product for gym and sports mats plus a host of similar applications.

Manufactured in Europe to international quality standards, Aztech combines a winning range of features including inherent strength and a super-smooth, attractive high gloss finish. Its plain woven Polyester-base fabric ensures Aztech delivers an exceptionally flat top side.

With its UV-stabilised coating, Aztech provides excellent coating adhesion for use in all weather extremes, even under harsh sunlight. A choice of 12 bright colours combined with long life performance characteristics further enhance Aztech as the stand-out choice.
